One of these sheets must be filled out for **EACH** PCB design being submitted.

This form must be submitted *with* your compressed PCB design file to elexprep@camosun.bc.ca

**DO NOT** include this form *in* the compressed file that you submit.

Project Group:

PCB Design Name (.zip / .rar):

Date:

**I acknowledge that I must include PROJECT NAME, REVISION NUMBER, and DATE somewhere on the silkscreen layer of my PCB.**

**I acknowledge that I have checked that the footprints in my PCB project matches those of the components that I plan to use with this PCB.**

**Layers:**

**Dimensions (in mm)**                                   x

**Quantity (Multiples of 5 Only):**

**Special Requests**

Please refer to the file called "Default Specs for JLCPCB" (In the same folder as this form), for default specs which will be applied to the majority of the orders with JLCPCB. If you wish to change any of these specs, please include a special request in the email that you send to us, along with a reason for your request.
